This photostated document consists of three sections dealing with the VVB Lowa (Federation of People-Owned Enterprises for Locomotive and Railroad-Car-Construction), in Wildau, as follows:

1) Fulfillment of the production plan by the VVB Lowa: a) Table, prepared by the VVB Lowa Production Management, showing planned and actual output, as of 30 September 1951, under the following headings: 1) name of plant (Gotha, Loessnitz, Zittau, Freital, etc.); 2) 1951 quota in thousands of DM; 3) quota for the period up to 30 September 1951 (in thousands of DM); 4) actual output for the period up to 30 September 1951 (in thousands of DM); 5) percentage fulfillment of plan for the period up to 30 September 1951; 6) percentage fulfillment of the yearly quota. b) Table, also prepared by the VVB Lowa Production Management, showing planned and actual output during the third quarter of 1951. The table is set up under the following headings: 1) name of plant; 2) quota for the third quarter of 1951 (in thousands of DM); 3) actual output for the third quarter of 1951 (in thousands of DM); 4) percentage fulfillment. 25X1 [REDACTED]

2) Memo, dated 11 October 1951, written by the Planning Department of VVB Lowa, which specifies changes made in the production plans of six plants belonging to the VVB Lowa. All changes are for the production scheduled for the fourth quarter of 1951. The following information is given for each of the six plants involved: a) total production planned for 1951 and for each of the four quarters; b) total production scheduled for 1951 and for each of the four quarters, according to the plan position numbers in which changes were made. Figures are given for both (a) and (b) in terms of gross production (including products for plant's own consumption) and production which is to be sold. 25X1 [REDACTED]

3) Organizational chart of the VVB Lowa for 1951, which shows the main divisions, departments, and subdivisions (both administrative and technical). The names of key personnel are also given. 25X1A
